ART - NR 9695259

- A Line exposed long: 1380MM
- B Line exposed long: 940MM
- C Line exposed long: 770MM
- D Line exposed long: 770MM
- E Line exposed long: 680MM
- F Line exposed long: 330MM
- G Line exposed long: 600MM
- H Line exposed long: 70MM

1. This light fitting operates at a normal supply voltage of 220-240V.
2. When changing the bulb or fuses, always switch off at the mains and allow the old bulb to cool down before handling.
